

# ABSORBENT RECYCLING

## USIT OFFERS ALTERNATIVES TO LAND-FILLING SPENT ABSORBENTS:

### LAUNDRY / RETURN OF ABSORBENTS

- USIT will supply absorbent products (pads, socks, action mats, mop heads etc.)
- USIT will supply desired collection drum or container
- USIT will schedule a routine pickup of your soiled absorbents along with bringing you cleaned re-usable absorbent and collection containers
- The absorbents are sent through our laundering process where 99% of oil is reclaimed and the cleaned absorbent is shipped back to you
- This laundering option eliminates an outbound waste stream and the purchase of absorbent products
